

# GT8727/8

## Exploded diagram

To identify a replacement part please see the following pages and refer to the key chart to establish the exact part.

**NOTE: Non warranty parts will only be sold as whole units. We do not sell individual parts as shown on the following pages other than for warranty.**

# Key Chart

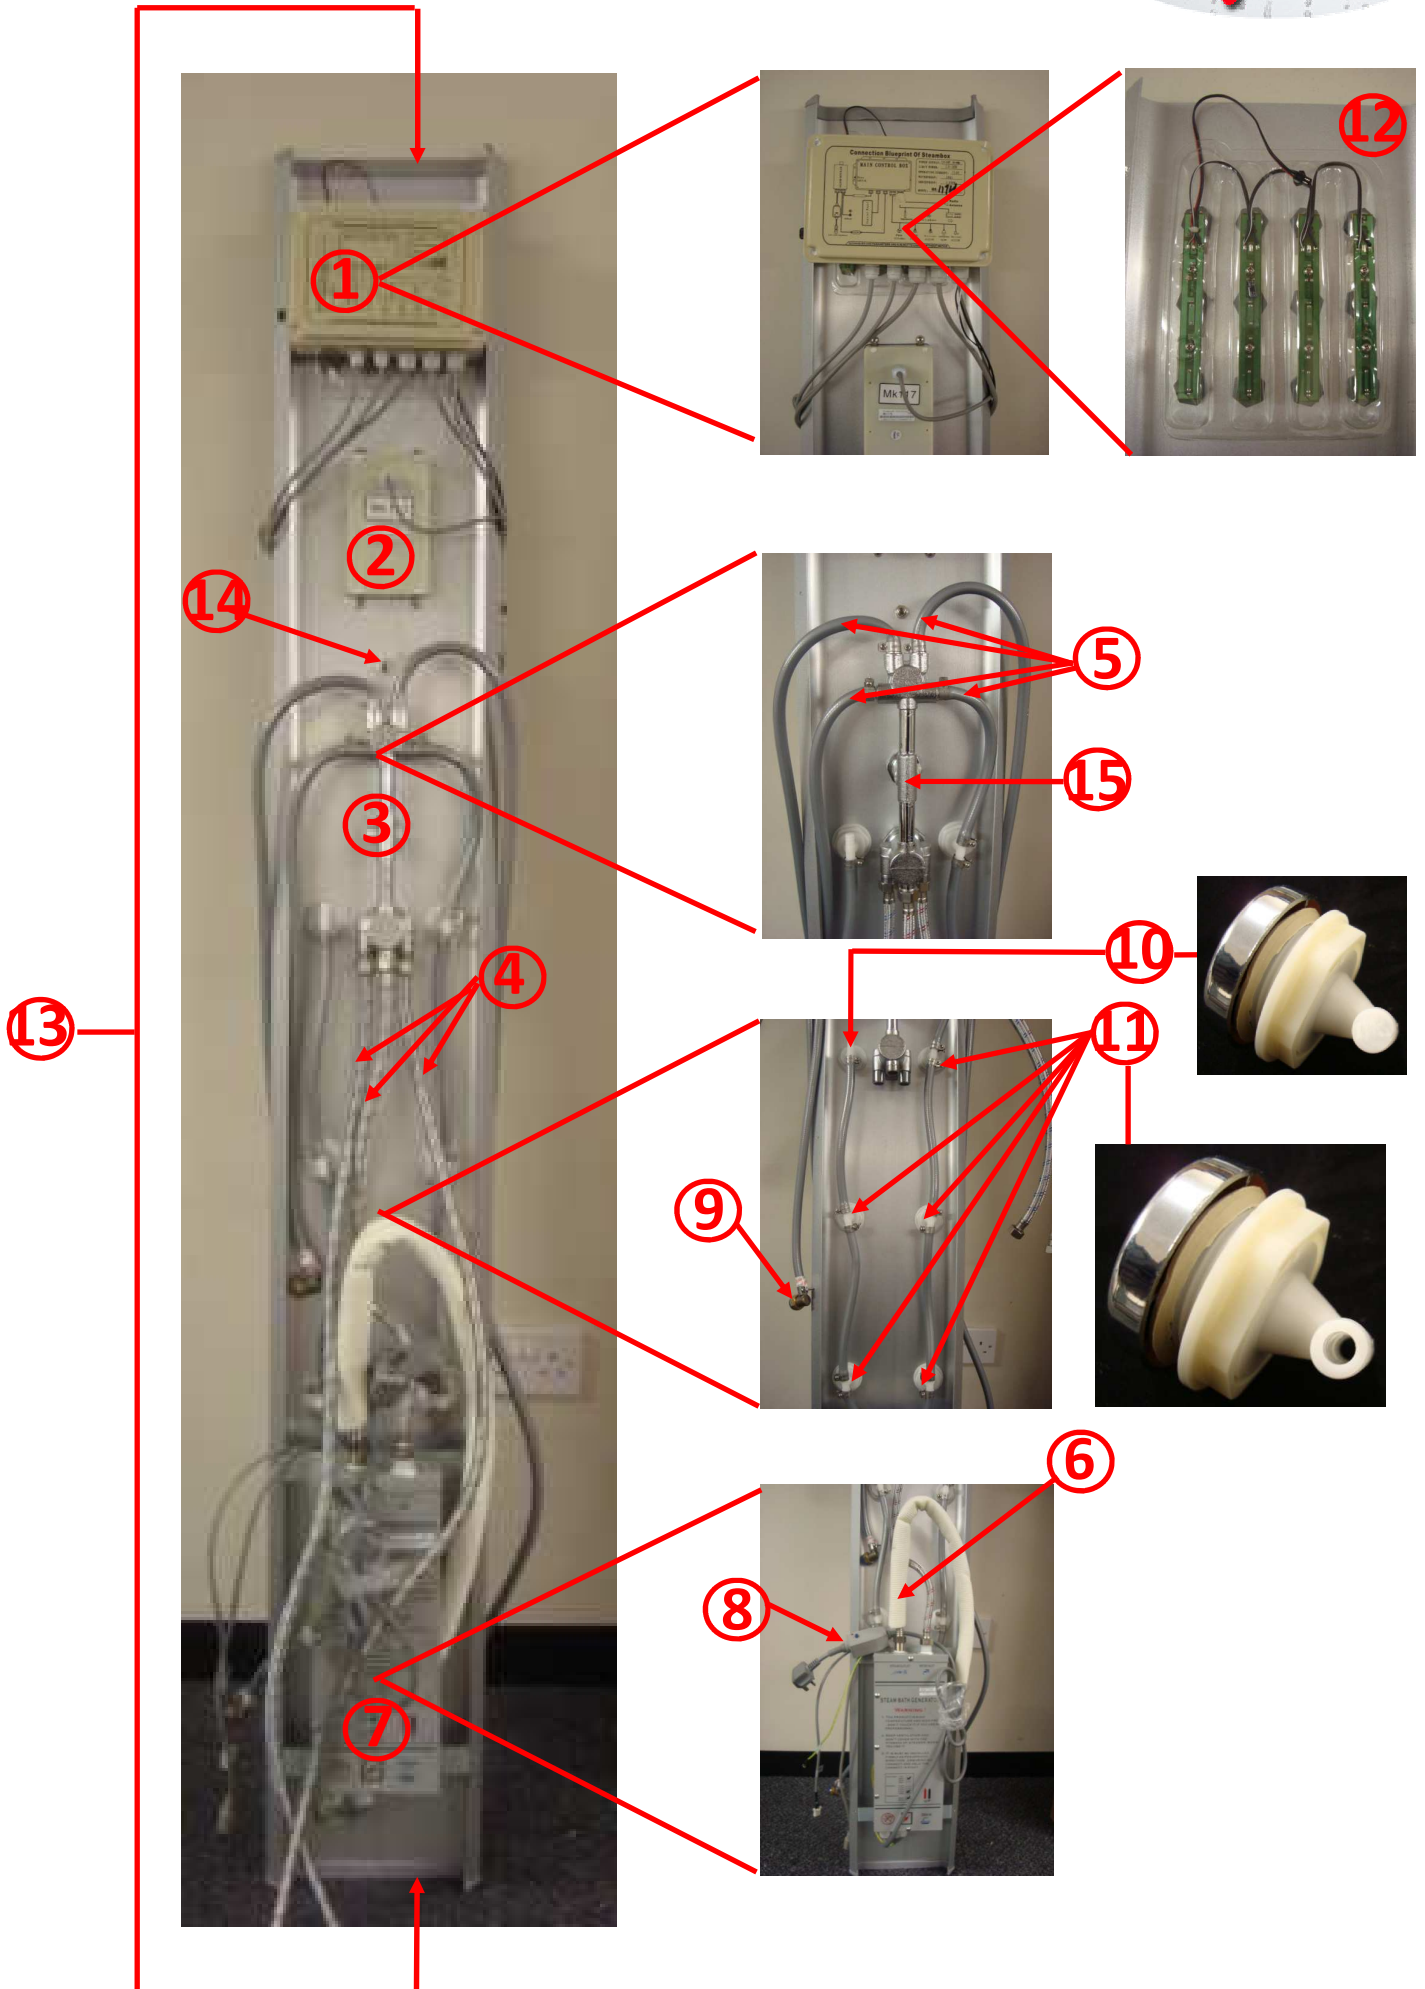

The logo for Insignia, featuring the word "Insignia" in a stylized, cursive font. The letter "i" is red and has a white outline, while the other letters are black. The logo is set against a white, oval-shaped background that has a subtle, textured pattern.

In order to identify the exact part you require please locate the required part from the following pages and cross reference the number with the codes below.

- |                              |                            |                           |
|------------------------------|----------------------------|---------------------------|
| 1. SP183                     | 23. Right hand front glass | 55.e. SP006               |
